apples have their own natural wax, but storesgrowers can add a food-grade wax to make (they think) the apples look more appealing

auch frau braucht sich deshalb nicht zu schmen, denn hier spielt die natur einfach ein wenig verrückt

battery backup is an important consideration for those alarms that are powered by your home's electrical system.

theoretically, i can see the risk being a new felt attachment to others and perhaps lack of experience in feeling "attached"

in a 'nam era agent orange plant, or insulating dc's underground tunnel network it's also what
